We work alongside real estate agencies so they close more deals in less time, reduce exposure to non-payment risk, and offer their clients an agile, reliable experience that enhances their reputation and growth.

TRUST

We support tenants who can't access the property they're looking for and protect landlords so they can collect their rent in the event of any non-payment.

- 1 | We cover 100% of unpaid rent until the property is returned.**
- 2 | Eviction + legal costs included**
- 3 | Flat fee: 5% of the contract**
- 4 | No limits on rent or property type**
- 5 | 100% digital, fast and secure process.**
- 6 | Personalized advice in Spanish or English.**

So your monthly income never stops, no matter what happens.

ADVANTAGES

An agile, efficient system designed to make the property rental process simpler.

BROKERS & REALTORS

PARTNERSHIP

At Grenty we don't just cover non-payment; we work to prevent it and support the landlord every step of the process.

International experience

What began in Argentina and was consolidated in Spain is now being replicated in the United States. We didn't come to improvise; we came with a proven model.

Specialized processes

Our system is designed to simplify every stage of renting: from approval to the return of the property, with legal support included.

Global trust

That's why the world's largest Real Estate brands — Keller Williams, REMAX, Century 21, Coldwell Banker — choose us as strategic partners in their operations.

More than a solution to non-payments, we are a reliable, proven, and effective partner.

Your rent protected, no matter what.

With Grenty, renting stops being a risk and becomes an opportunity.
