PARTNERSHIPS

At Grenty, we don't just cover defaults — we work to prevent them and support landlords every step of the way.

International Experience

What began in Argentina and was consolidated in Spain is now being replicated in the United States. We didn't arrive to improvise — we arrived with a proven model.

Specialized Processes

Our system is designed to simplify every stage of the rental process — from approval to property handover — with legal support included.

Global Trust

That's why the biggest real estate brands in the world choose us as their strategic partners in their operations.

More than just a solution against non-payment, we are a reliable, proven, and effective partner.
