

FOR MULTI-FAMILY OPERATORS & PORTFOLIO OWNERS

INSTITUTIONAL PORTFOLIO PROTECTION

Guarantee Every Dollar of Rent Across Your Entire Portfolio.

RentGuard gives multi-family operators, REITs, and residential portfolio owners institutional-grade rent default protection — so tenant turnover never disrupts your cash flow or your investors.

BUILT FOR PORTFOLIO SCALE

**Volume Pricing**

Custom pricing tiers for portfolios with multiple units.
The more you protect, the better the rate.

**Bulk Tenant Screening**

Submit multiple tenants at once. Our AI engine
processes them simultaneously with 48-hour SLA.

**Portfolio Dashboard**

Real-time visibility into coverage status, active
claims, and underwriting results across all your units.

**Dedicated Account Executive**

Direct access to your RentGuard rep — not a call
center. Your exec knows your portfolio by name.

The RentGuard ROI for a 50-Unit Portfolio

At a 3.4% default rate, 1–2 defaults per year are expected. One single default costs more than an entire year of RentGuard coverage for the whole portfolio.
