WHAT WE DO

Guaranteed Rent. Zero Landlord Risk.

When a tenant defaults on rent, RentGuard activates. We cover all unpaid rent while managing the entire eviction process — from legal notices to property recovery — at no cost to the landlord.

Rent Coverage

100% of unpaid rent paid to the landlord throughout the eviction — no monthly cap, no deductible.

Legal Management

Full eviction management from initial notice to final resolution. All attorney fees and court costs covered.

Tenant Underwriting

AI-powered tenant vetting before lease signing. Credit, income, employment, and rental history verified.

THE PROBLEM

Every Landlord Is a Credit Risk Manager Without Training.

WHO WE SERVE

Three Segments. One Platform.

PRIMARY**Real Estate Brokers
& Agents**

Our B2B2C distribution channel. Agents introduce RentGuard to landlord clients and earn referral commissions with zero paperwork.

HIGH VALUE**Multi-Family
Operators & REITs**

Portfolio-level agreements with volume pricing. Custom dashboard, dedicated account exec, and bulk underwriting.

LONG TAIL**Individual Landlords
& Tenants**

Direct-to-consumer online application. SEO and broker referral driven. Highest margin, lowest CAC at scale.

HOW IT WORKS

Simple to Use. Institutional Behind the Scenes.

**Step 1: Apply Online**

Landlord or tenant submits property and personal information through our secure digital portal. Takes under 10 minutes.

**Step 2: AI Underwriting**

Our rules engine evaluates income ratio, credit score, employment tenure, and rental history. Decision in 48 hours or less.

**Step 3: Coverage Activated**

Annual protection agreement signed digitally. Coverage begins on the first day of the lease. No paperwork for the broker.

**Step 4: Default Protection**

If tenant defaults: RentGuard pays landlord monthly, opens eviction proceedings, and manages legal process to completion.

WHY RENTGUARD

Not Just Protection. Peace of Mind.

**Speed**

48-hour decisions vs. weeks for traditional insurance. Online application — no phone calls required.

**Personal Relationship**

Every client gets a dedicated account executive. Direct access — not a call center.

**Frictionless**

Zero broker paperwork. Tenants and owners apply directly. Brokers earn without doing extra work.

**Full Coverage**

Unlimited rent, legal fees, and court costs. No deductibles, no caps. One premium, total protection.

TECHNOLOGY

AI-Powered. Open Architecture. Built to Scale.

RentGuard's platform is built on modern, scalable open-source infrastructure. Our underwriting engine applies a proprietary rules model to tenant data, enabling consistent, compliant decisions at internet speed.

Underwriting Engine

Rules-based AI model evaluating 15+ data points per applicant. Tier-based output: Green, Yellow, Red.

Secure Data Handling

Bank-level encryption for all uploaded documents. GDPR and US privacy-compliant by design.

Third-Party Ready

API integrations with credit bureaus, bank statement analyzers, and property management platforms.
